## About Us

Founded in 1991, Habitat for Humanity Las Vegas builds and rehabilitates homes in partnership with low-income families and individuals across Southern Nevada. We believe everyone deserves a decent place to live and the opportunity to build a better future. Through volunteer labor, donations, and community partnerships, we create affordable housing solutions that empower families and revitalize neighborhoods.

*Habitat for Humanity Impact in the Community:*

- 124 homes built and sold to hard-working, income-qualified families in Southern Nevada.
- Partnered with thousands of volunteers and corporate sponsors to drive positive, lasting change.
- Provided financial literacy, homeownership education, and post-purchase support to ensure long-term success.
- Contributed to neighborhood revitalization, sustainability, and community pride through every home built.

The Home for the Holidays Gala is our signature annual event, bringing together community leaders, partners, and compassionate supporters for an unforgettable evening of inspiration and impact. As we celebrate our 22nd year, we invite you to become a valued sponsor and help us continue our mission of building strength, stability, and self-reliance through affordable homeownership.

Sponsoring the 22nd Annual Home for the Holidays Gala directly supports our homebuilding efforts and expands the reach of affordable housing in Las Vegas. Together, we can create pathways to stability and transform lives—one home at a time.

*Your support will help build homes and homeowners, **one deed at a time.***
