

Leave a Legacy of Hope

Sponsor A Habitat Home

You can help us build homes that
redefine lives and reset futures.

Company Sponsorship Opportunities

Habitat Homeownership Program

Our Homeownership Program

Through our signature Homeownership Program, **Habitat for Humanity Las Vegas makes homeownership possible for low-to-moderate income families in our community.** Homeownership through Habitat Las Vegas is not a handout. Our homeowners must complete 300 hours of sweat equity, which consists of financial education classes, first time homeowner courses, home maintenance instruction and working on our construction site to help build their home.

Our Habitat Homes & Communities

With the help of our local leaders, our community partners, our kind donors, and generous sponsors, Habitat for Humanity Las Vegas has built 129 homes in Southern Nevada, and neighborhoods like The Pittman Community are shining examples of what they enable us to do.

In total, we've built 49 homes in The Pittman Community in Henderson, Nevada. As we close the Pittman Community Project, we're eager to begin the next chapter, furthering our impact building strength, stability, and self-reliance to families through homeownership. Fall 2026, we will begin building 2 Habitat Homes and we need partners like you to help continue impacting families in our community.

Our Partners in Home

With your partnership and support, more families will have access and opportunity to reach their dream of homeownership. Habitat Las Vegas welcomes the opportunity to customize a sponsorship package to best meet your needs. Your tax deductible contribution to Habitat Las Vegas is an investment in families, our community, and future.

We could not achieve our mission without the help and generosity of community partners like you.

Thank you for choosing to lay the foundation for our next Habitat Homeowners. Together, we can build more hope, homes, and communities!
