Habitat for Humanity®
Las Vegas

KIT BUILD OPTIONS

At Habitat for Humanity Las Vegas, we believe that building stronger communities goes beyond building homes. Through our essential kit build experiences, community partners have the opportunity to make a meaningful difference by assembling kits filled with everyday necessities that support Habitat homeowners and local community partners.

Your partnership is more than an act of service—it's an investment in families, stability, and hope.
Together, we can provide essential resources, ease financial burdens, and empower families throughout Southern Nevada.

Join us in building more than homes. Let's build hope, opportunity, and stronger communities—one kit at a time!

KIT #1: HOME STARTER

- Sponges
- First Aid Kits
- Extension Cords
- Gloves
- Dish Soap
- Flashlights

Additional Questions? Contact Ashley Burney at ashleyb@lasvegashabitat.org or 702-638-6477 ext 203

Kit Build projects must be scheduled at minimum 6 weeks in advance. The cost of each kit includes shipping, logistics, and additonal kit fees. Depending on supply availability, all items are subject to change. Each kit type requires a purchase minimum.
